Taking Aim at Goliath

Steven Miessner & Despair Repair Band

SMCD-2000

Here is a worship CD that will touch your heart possibly more than any other you've previously owned. Ten original songs of personal testimony and the Word of God you will be blessed to share with your friends and family.

A worship leader at Granada Hills Presbyterian Church, Granada Hills, California, **Steven Miessner** invites you to take a uniquely powerful, lyrical journey into the presence of God. This journey begins with your meeting the blind man on the *Road of Jericho* who receives his sight. Next you hear about God's *River of Love*, after which Steven shares his own heartfelt desire in *I Want to Be Like Him*. Then, you have never heard the story of Jonah and the people of Nineveh told in the way Steven shares it in the *Commission Waltz*. Now, get ready as Steven goes into warfare *Taking Aim at Goliath*, the title song of this album.

What follow then are five more exceedingly meaningful songs - including *Married to Jesus*, *Passages Through Time*, *Song of Praise*, and *Shout Down The Walls*. And, for those searching to know the Father heart of God, the very tender *Some Daddies* will resonate deep within their souls.

This original worship by **Steven Miessner** will draw you to the Throne Room of your Heavenly Father. Every song bears the touch of the Holy Spirit for our lives today. You'll want to listen to them over and over.

Consider buying this worship CD as a gift to yourself, but perhaps also as gifts for others you love. You can be assured it will touch their hearts too.
